Report Reference E464722-20131215
Issue Date 2013-DECEMBER-16

Issued to: GYMAP GROUPE
29 RUE FRANÇOIS ROCHAIX
ZI NORD
01100 OYONNAX FRANCE

This is to certify that representative samples of COMPONENT - COLOR CONCENTRATES Designated "MASTERBATCH used for PP material" intended to be used with Recognized Polypropylene (PP) materials

Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety: UL 94, Tests for Flammability of Plastic Materials for Parts in Devices and Appliances;
UL 746D, Polymeric Materials – Fabricated Parts
Additional Information: See the UL Online Certifications Directory at www.ul.com/database for additional information

Only those products bearing the UL Recognized Component Mark should be considered as being covered by UL's Recognition and Follow-Up Service.

The UL Recognized Component Mark generally consists of the manufacturer's identification and catalog number, model number or other product designation as specified under "Marking" for the particular Recognition as published in the appropriate UL Directory. As a supplementary means of identifying products that have been produced under UL's Component Recognition Program, UL's Recognized Component Mark: , may be used in conjunction with the required Recognized Marks. The Recognized Component Mark is required when specified in the UL Directory preceding the recognitions or under "Markings" for the individual recognitions.

Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. The final acceptance of the component is dependent upon its installation and use in complete equipment submitted to UL LLC.

Look for the UL Recognized Component Mark on the product.
